Hard Wood

One warm sunny day my husband Dave and I decided to go for a walk to a reservoir only a short drive away through the countryside.

During the drive I undid the bottom buttons of my dress and spread my legs. I was not wearing any knickers so Dave got a good view of my neatly trimmed bush.

Licking my middle finger, I placed it on my clitoris and started wanking in front of him.

Dave found it hard to drive with me sitting next to him frigging myself off.

So he pulled up and dived down to lap at my quivering clit.

I had a mind-blowing orgasm and copious amounts of pussy juice leaked over the seat. Then we went into the nearby woods for a fuck.

I got down in front of Dave and took his hard cock in my mouth, savouring its salty taste.

Dave was fucking my mouth so deep I could feel the tip of his cock hitting the back of my throat as his heavy balls slapped against my chin.

Then he told me to lean forward against the tree so he could fuck me from behind. I did as I was asked and soon felt his well-sucked cock slipping inside my incredibly moist hole.

I felt myself cumming almost instantly as his big cock spread my cunt lips from behind. I yelled at him to fuck me hard as my orgasm hit me. Dave grunted and let his hot seed flood into me what a great shag.

Gina, London.

Nail Me Down

My dad's a carpenter and I'm into woodcraft as a hobby – I've even got a shed where I do projects at weekends! Most of my mates know that's where they'll find me if they ever pop over to see me.

Last week, it was Neil, a "friend with benefits" who turned up. I didn't know he'd arrived for ages – he just stood watching as I drilled holes in the wood, and only let me know he was there when I stopped. He was grinning away to himself – I was wearing a little vest top and no bra, and my tits must have been jiggling like jelly!

Put it like this, I wasn't the only one who had wood, and when he asked if me doing it topless was out of the question, I obliged. I don't know if woodworking with your norks out is a health and safety issue, but I got away with it unscathed – and unlathed – and he got his dick and out and began wanking furiously.

SAMMI, EAST ANGLIA

MY ARSEHOLE CLAMPED TIGHT LIKE A VICE AROUND HIS COCK SHAFT

By now we were both ready to get his cock inside me, so I undid my jeans and pulled them, along with my knickers, down around my ankles. Then I bent forward over the nearest clear work surface.

My big toolbox was open on it, and he noticed there was a pot of petroleum jelly inside – always useful to help the woodworking type of screw to go in and out smoothly. But it was the other sort of screw we wanted that trick to work for now! He slathered some around my arsehole, and on his cock, then told me to brace myself.

I started to take deep, rhythmic breaths, so that my arse-muscles were really relaxed by the time he started to slip in. He had a big cock on him – hard to take, but so worth all the time and effort. The size of him was stretching me to the max, but as my arse got accustomed to that, he was able to piston it in and out.

What happened next was one of those unexpected little things. I must have breathed in a bit of sawdust, because I started sneezing like mad. And, each time I did, every muscle in my body shook and clenched.

My arsehole clamped tight as a vice around Neil's cock shaft, and although I didn't have anything plugging my pussy, that tightened too, giving my clit a tiny jolt.

As I recovered again, Neil started hammering his cock into my arsehole, which I deliberately clamped around his prick now. Then I felt a series of hot, wet explosions deep inside me as he spunked his load deep in my arse.

Even after he'd finished cumming, he stayed inside my arsehole for as long as he could, his still-hard cock acting like a butt-plug as he reached around and under me to give my clitoris a rub.

My pussy hole needed some attention so he reached underneath and slipped a couple of fingers in me. Soon I was orgasming, tits jiggling again but in response to my own body now.

Neil's large cock slid out of my arse, and I felt his cum, melted by the heat of my body, trickle out after it.

"Shower?" I said, and he joined me. My arse was too tender for more anal, but anyway my cunt was aching for cock now. He knelt down on his haunches on the floor of the shower, and I straddled him, tantric sex style, so he could suck my tits as he screwed me. I had a couple of fingers on my own clit, just letting our rocking, bouncing motion work them up against the nub of it until I came bucking and grabbing at him.

I wasn't sure I'd feel Neil cum this time, with water splashing all over my body, but the twitch of his dick and spunk-burst deep inside me was unmistakable buried deep inside me.

I'm going to make him a special sexy carving for his birthday and as a reminder of all the fun we have together.

Woodworking may not be the girliest hobby but it doesn't put blokes off hammering me in the slightest!

Sammi, East Anglia.

Someone's feeling beside herself at the seaside – it's Helena (23), who despite the lack of sun and sand is getting plenty of sex on her dirty weekend away. And lucky daytrippers are getting something more than a stick of rock to remember their visit to the coast by. "I always let my hair (and my knickers) down on holiday!" the saucy slapper confirms.

We're used to girls making ear-splitting noises – Sabrina just starts belting them out a couple of hours earlier than most. "A night on the sauce at the karaoke is my idea of a good time," confesses the 23-year-old. "Impress me with your singing and you can have your own performance with me later. I'm really vocal and certainly don't need a microphone in bed!"

Mature sleaze

JANICE, LINCS

Older ladies are the best – they are often up for more and are a lot less uptight, so they're much more fun to fuck!

Last week. I was out at a club – you know, a standard grab-a-granny night – although I've always thought that was a bit rude as the late thirties-forties women that I prefer are hardly grannies!

I got talking to an early-forties woman named Jan. She was nicely dressed and had a good figure for her age. I suggested that we go back to mine for some fun.

I was surprised when she refused – but shocked when she explained why! She was married, she told me. That wasn't a problem though, as apparently her husband liked to watch her get fucked by strangers.

Guess what? She wanted me to go back to her place and fuck her – and her husband would be watching!

On the way to her place she pulled over and told me to get my cock out. I did as I was told and she plunged her mouth over my prick.

She explained, in between sucks, that she was going to suck me off here so that I'd last longer when she got me home. She gave good head too – she'd obviously practised to get her technique down pat.

HER HUSBAND WAS WANKING HIMSELF STUPID AT THE SIGHT OF HIS WIFE ON MY DICK

Soon I was cumming, and she swallowed the lot!

When we arrived at her house, I barely had time to exchange nods with her husband before Jan told me to ignore him. "You're here for me, not him!" she said.

She dragged me up to the bedroom and told me to undress. By the time we were both naked my cock was standing to attention again. She looked at me and said, "Well, I've tasted you – don't you think it's time you tasted me?"

I didn't need a second invitation, I was on her twat in a second, licking and exploring with my tongue.

Soon Jan's legs were shaking and I knew my tongue was doing the trick. I introduced her cunt to my fingers as well, and stuck three of them into her slick hole.

That sent her over the edge,

and as I sawed them in and out while licking her clit she came loudly!

Next, I shoved my cock into her to the hilt in one thrust and began fucking her. I started at a steady pace and let her control how fast and how hard I fucked her.

Soon I was doing her hard and fast – she'd been right to empty my balls on the way here, I was lasting ages! In fact, we'd been going so long I was tiring a little. Jan seemed to have plenty of energy, and made me lay on my back so she could straddle me.

She lowered her cunt down onto my cock, and bounced up and down on it, her arse cheeks slapping against my thighs.

Now she was on top I could see her husband on the landing through the open door, wanking himself stupid at the sight of his wife bouncing on my dick!

Jan took full advantage of my cock, cumming again before I was ready to cum. When I was almost there, she pulled me out and wanked me until I shot my second load of the evening over her pubes!

After we'd cleaned up, her husband called me a cab. Jan invited me back and gave me her number. As I was leaving, the last thing I saw was her husband kneeling between her legs ready to lick her spunk covered twat!

The husband thing doesn't bother me so I'll be back!

Alex, Lincs.

NESTY

Nesty's getting nasty in her kitchen! The 21-year-old from Barnsley is getting ready for a night out and puts her clothes through their paces. "I need everything to come off nice and easily. I wear no knickers on the dance floor and flash my bits to get attention. It also means I can get fingered discreetly while boogying. My favourite position is doggy – preferably somewhere really rough and ready, like in public loos, on the top decks of buses and in parks. The thrill of getting caught turns me on!"

Chloe

Chloe is a girl who demands to be in charge, as you might be able to judge from the forbidding exterior, the riding crop and the chains. "You have been a naughty boy, buying this magazine," she purrs sinisterly. "What would your girlfriend or wife say if they caught you? Of course they know about your special hiding place. Women know everything. Which is why I know you'd like to take a good spanking from me before I let you fuck me hard, fast and messily..."

We're slow to keep up with trends (as you might be able to tell from our quixotic attachment to the printed page). Some of our photographers still put a sheet over their head and waggle a canary around to get the model's attention. So we thought we'd better get up to speed with budding bosomy photographer Ria. She was pretty good, but she was a lot better on the other side of the camera. Her flash worked better, anyway. Now, Ria, fancy, stepping into the dark room with us? See how these turned out? "Not really – this is digital you idiot!"

JANEY

We didn't expect this very sensible looking Surrey housewife to gatecrash our picnic with a bare bum and a gaping hairy muff, but it was tastier looking fare than the luke warm beer and squashed pork pie we'd brought along. "You look like a nice bunch of lads," she said. "I'm 36 and need a lot of cock to fill me up these days. I'll take all of your cocks on at once. Oh, is that a camera? It would be just as much of a turn-on for you to turn that on me!"

ELLIE, WILTSHIRE

Lickety split

I just love sucking cock, especially after it's been up my cunt with all my juices on. I said to my boyfriend I would love to see him fuck another woman so I could suck his cock afterwards and taste he other woman's juices on it.

It was my boyfriend Brian's birthday and I had made plans to go out clubbing (little did he know a female friend of mine called Cara would be there). He guessed I was up to something as I had my short black dress on and no knickers.

We got to the club and had a few drinks. I said to Brian that I wanted to go and dance. He said OK, and off I went. After about ten minutes of dancing I felt a pair of hands clasping round my waist and felt someone dancing seductively against me.

I knew who it was but Brian had no idea and was looking quite shocked. I carried on dancing with Cara. After a couple of dances I was so juiced up I had to go to the toilet and of course Cara followed me, winking at Brian as we passed him.

Cara pushed me into the toilet cubicle and told me to sit on the toilet cistern. She spread my legs and licked my cunt until I came in her mouth. She came up and kissed me full on the mouth and I could taste my juices on her tongue and lips.

We both looked at each other and knew it was time to leave. So Cara went over to Brian and told him that we wanted him to come home with us. We all got into a cab and went home.

When we got home we hadn't even got in the door before Cara and I were ripping each other's clothes off and ramming our tongues down each other's throats.

By the time we had got into the lounge Brian was sitting in the chair wanking his big throbbing cock. Me and Cara went straight over and both took a bit of his cock in our mouths.

Cara licked one side and I licked the other. Every time we got to the top our tongues would meet and we'd share Brian's pre-cum. He had a look of sheer bliss on his face.

We were all so horny that we moved onto the floor and Cara got on top of me in the sixty-nine position. I had my first taste of another woman's pussy, and I just didn't want to stop licking it.

She must have liked what I was doing because I felt her shuddering and before I knew it her sweet love juices just poured into my mouth. I closed my eyes and lapped it all up, and when I opened them again Brian's cock had entered Cara's cunt.

I could see his cock sliding in and out of her, glistening with juices. I flicked my tongue over his balls and they felt like they were almost ready to burst, so I started to lick Cara's clit to make them cum together.

Cara urged Brian to fuck her harder. Brian fucked Cara for all he was worth and shot his load straight up her. She must have cum as well, as when Brian withdrew from her his cock was covered in sweet juice.

I licked Brian's cock clean of cunt juice and then licked the rest out of Cara's cunt. Cara stayed over and you can imagine how the night was spent.

Ellie, Wiltshire.

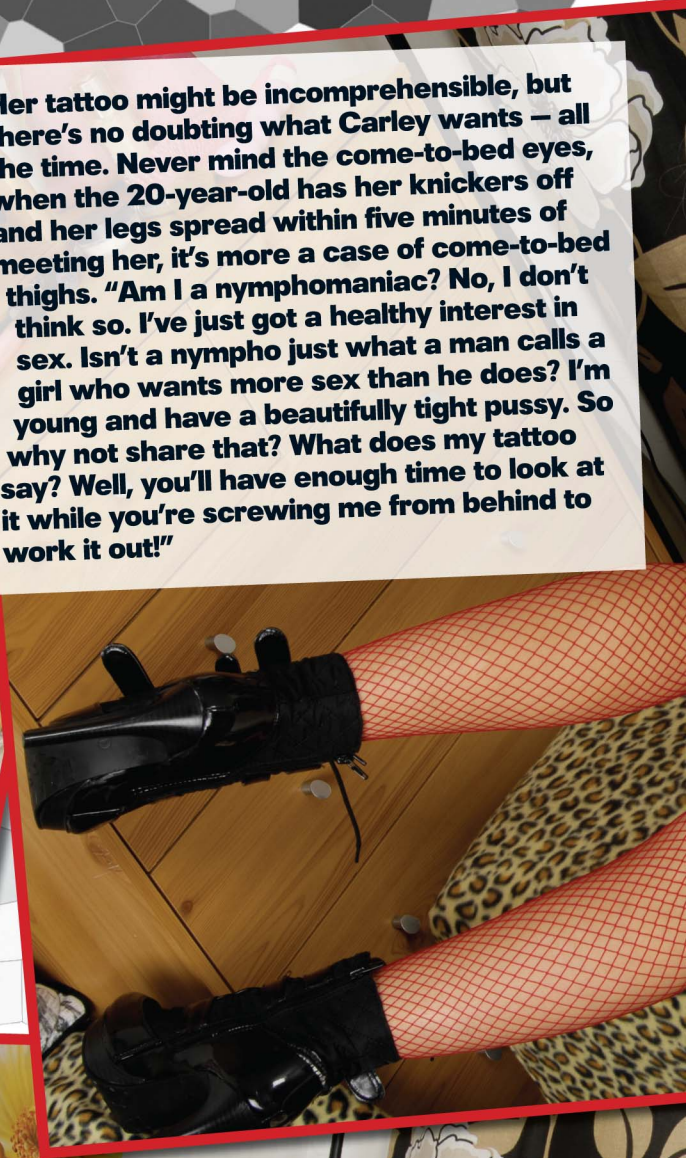
Her tattoo might be incomprehensible, but there's no doubting what Carley wants – all the time. Never mind the come-to-bed eyes, when the 20-year-old has her knickers off and her legs spread within five minutes of meeting her, it's more a case of come-to-bed thighs. "Am I a nymphomaniac? No, I don't think so. I've just got a healthy interest in sex. Isn't a nympho just what a man calls a girl who wants more sex than he does? I'm young and have a beautifully tight pussy. So why not share that? What does my tattoo say? Well, you'll have enough time to look at it while you're screwing me from behind to work it out!"



“Fill my fanny up with your froth!”

"We first had sex when we were both married to other people but things weren't working out," writes engineer Paddy. "I was helping her move home and we were left alone in the house for half an hour. We ended up having wild sex amongst the boxes. I'd never met anyone so mad about sex and who wanted to be nailed all the time. She loves to be fucked like a slut and we hope these pics give an idea of that!"

TINA & EMMA

Boxing Day is so called because servants and tradesmen in olden times would receive a Christmas box from their employer. Good to see some traditions die hard – young office intern Emma gets the pleasure of unwrapping boss Tina's splendid box after a debauched Christmas party. "It's Christmas, so anything goes!" grins Tina as Emma tucks into her titbits. "I expect to be telling her off and tutting at her for coming in late in January, but for tonight, I'll do exactly what SHE says!"

Honour Bound

My boyfriend loves tying me to the bed and then having his way with me. Sometimes he blindfolds and gags me too, which I love.

Last weekend my boyfriend and I planned a night of hardcore fucking. We unplugged the phone, drew the curtains, cracked open a bottle of wine and put on a porno.

After a while my boyfriend got his cock out and told me to suck it. I did as I was told, kneeling in front of him and sucking his hard pole for all I was worth.

Soon he was pulling my hair and telling me he was about to cum. I sucked even faster, anticipating a throatful of salty sperm. When he came I milked his balls dry, swallowing every single drop.

Then I led him upstairs and told him to lick me out till I came. I lay on the edge of the bed with my legs high in the air. He buried his face in my pussy and hungrily lapped away.

I started flicking my clit when I came close to orgasming. This sent me over the edge and with a squeal I came, my cunt contracting madly and showering his face with juice.

That was all foreplay leading up to the main event. This was how we often did it. I trembled with excitement as I waited for the order.

"Get on your hands and knees and stick your arse in the air!" he said. As I did exactly as I was told I could hear the ankle and wrist cuffs clunking together in his hands.

I felt him roughly pulling at my arms so my wrists were alongside my ankles, my legs

Wedding Balls

One day I was working as a waitress at a wedding reception, and noticed a couple in their late thirties looking at me. They were quite blatant about it. Then, as everyone left the table for the evening's dancing, the bloke came up to me and said, "We both think you're gorgeous. My wife would love to get her mouth between your legs, and I'm dying to stick my cock between your tits.

I had a few more hours' work to do, but they kept stalking me – not that I minded. And when I served a glass of champagne to the wife, she had a sneaky stroke of my arse.

I'll admit I got more and more turned on. I didn't take it that seriously but, by the end of the night, I was ready for a big frig session. But before I could get to my room, the man – James – approached me and invited them to theirs.

His wife, Jennifer, was on the bed in just a towel, and when she got up she let it fall to the floor. She had a great body, curvaceous but toned.

They thought I looked sexy in my waitress gear, but wanted me out of it pretty quick! Now that I'd got into the idea of what I was about to do, I was shivering with excitement.

I sprawled out on the bed with James licking my tits, while his other half tongued her way along the crack of my pussy.

She'd positioned herself so I could fondle her large tits and rub between her thighs.

James slid his cock in between my lips, moving it in and out, and all the while, Jennifer was licking me out, bringing me to the most incredible orgasm.

Next he fucked me hard from behind. It was only when I felt James's hot jizz spurting out all over my arse cheeks that I finally gave out a squeal

snatch.

Finally I got what I wanted, as he drove his cock right up in one go. I moaned in delight as he started fucking me deep, fast and hard.

I was so turned on being his sex slave that I came straight away. "Now I'm going to

well spread. Then he fastened my wrists and ankles into the cuff so they were bound together.

I was totally at his mercy with my face in the pillow, my arse in the air and my arms and legs strapped together.

Then he made me beg him to fuck me. I cried out, imploring him to shove his big hard cock right up my juicy fuck you up the arse!" he said.

I braced myself for an arse pounding as he lined up his cock. Then he slid it up my tight ring and began slamming into me.

Eventually he pulled his cock out of my stinging arse and shot his load all over my arse and pussy.

of delight.

Watching us fuck had fired Jennifer right up and now she needed to cum. She hauled herself over my face, splaying her snatch with her fingers as she rode my tongue. She told me to lick her faster, and then I felt her start to cum, juices pouring into my mouth. She stayed sitting on my face, and already James was licking at my mound. I tried to eat her like he was eating me – I guessed he knew just what she liked – but as he got me closer to cumming again, I drifted off into my own pleasure.

Jennifer looked at me and said, "Oh, poor girl. She needs more cock." She sounded patronising, but she was right. This time I sat on his dick facing his feet, so he could play with my arse as he fucked my snatch. I spent the whole weekend in their posh suite!

Julie, Kent.

Crash Bang

My other half ended up in hospital after he crashed his car pissed.

Serves him right, I thought. One of his mates, Simon, came round to see how I was because it only took a few minutes of sucking to bring him off.

Next up, I let him do me in my pussy. He took it slow, making the most of his chance to fuck me, but I think we both had our minds on what was to come. Even as his cock was in my snatch his hands were all over my arse – that's where he really wanted to be, the dirty git.

I don't even let my other half do me up the wrong 'un often, but remember, I was still pretty pissed off at him.

So we

doing. He poured me a big glass of wine and gave me a hug – then stayed sitting with his arm around me. Just friendly and comforting but I knew he'd always had a bit of a thing for me.

And I was pissed off enough with my bloke to take advantage. I steamed in for a snog, taking him off guard, and by the time he thought it might be a bad idea his tongue was already down my throat.

I asked had he ever fantasised about fucking me. "Yeah…" he said, blushing slightly, then grinning as he added, "In all three holes."

"OK," I said, "One down…" and kissed my way down over his bare chest before undoing his trousers and springing out his cock.

I'd obviously been turning him on for the last couple of hours lubed up Simon's cock and he sank nuts-deep into my arse. It was the best arse-fucking I'd ever had.

So good we're now having a full-blown affair!
